File Ref: 0915-Highland-Council-180m-lp-montages

Grid Ref: 125263, 837913 Distance to nearest visible turbines: 10940m AOD: 66.2m

This viewpoint is located on the core path between Orbost and Idrigill Point, near the abandoned settlement of Idrigill. There would be no views of the Proposed Development from Idrigill Point itself, so this location was to represent views from the core path. The precise location of this viewpoint is just off the path itself onto a small knoll which as chosen order to obtain the most open view across Loch Bracadale and the Proposed Development.
